INVITATION

The Chicago Dermatological Society is pleased to announce the following monthly meeting schedule. With registration and resident slide viewing open throughout the morning, the meetings generally begin with a resident/basic science lecture. Following a break with our exhibitors, the meeting reconvenes with case presentations and MOC sessions led by our host program's residents. After lunch, our invited guest lecture will speak, and the meeting adjourns.

The Chicago Dermatological Society (CDS) invites you to connect with its community of 200+ Chicago-based board-certified dermatologists and dermatology residents by partnering with us during the 2026-2027 academic year. Industry partners have several opportunities to meet new contacts and reconnect with prior ones, as there are six educational events planned for 2026-2027.

Thank you for your consideration of our request for participation; we look forward to receiving your commitment. If you have any questions, please contact Bethany Radke; bradke@veritasamc.com or 847-752-4264.

Kind regards,

Bethany Radke
Account Manager, Industry Relations
